

Auto insurance
that rewards
16 - 24s with
**Good Driving
Discounts**

Get a head start with ingenie

As a young driver, auto insurance is expensive. But ingenie is on your side: drive well and you'll pay less.

If you're **between 16 and 24 years old** and choose auto insurance from ingenie you'll receive a **10% upfront Good Driving Discount**.

But the savings don't stop there
You'll be able to earn further Good Driving Discounts – **up to 25% in the first year**.

The ingenie Smartbox

With the ingenie Smartbox, we'll treat you as an individual. We work out your

billing based on how **you** drive, not how statistics say young drivers usually drive.

Once you've signed up, you'll receive an **ingenie Smartbox absolutely FREE** – so watch your mailbox. As soon as you've plugged it in, the Smartbox is ready to build up a picture of your driving style. But don't worry about waiting for it to arrive – you're insured from day one.

Check how you're doing with the ingenie mobile app

The ingenie mobile app gives you regular updates on trends and patterns in your driving including your speed, acceleration, braking and cornering. All of which can help you earn more of a Good Driving Discount.

It's really simple:

You'll get feedback on your driving via the ingenie mobile app which scores your driving on a scale from 0 to 100. The higher your score, the **more** you'll save.

And with regular feedback, you can quickly see how well you're doing and check where you might need to improve.

As well as using the ingenie mobile app, you can also log in to your account at ingenie.ca

Save an extra 25% just for driving well

We'll use the data from your ingenie Smartbox to work out your next Good Driving Discount. The higher your driving score for that quarter, the less you'll pay. You can earn up to an extra 25% saving during your first year with ingenie.

If you drive poorly your billing can increase. That's why it's important to watch your speed, braking, cornering and acceleration – they can all add up to further savings.

ingenie reviews your billing every 3 months

Unlike traditional insurance, with ingenie your billing is reviewed every 3 months, meaning good drivers don't have to wait to be rewarded.
